Retaxa from

4 January 1961

CHECK LIST

I. Upon notification of an impending operation, actions will begin immediately in the following sequence.

- a. Call meeting of all Branch and Section Chiefs involved (Action-Operations)
- b. Action checklist for IDEALIST Operations will be completed (Action-Operations)
- c. General concept of operations will be prepared (Action-Operations)
- d. Prepare briefing book in two copies for presentation to DDP (Action-Intelligence)
- e. Prepare Operations Order or  as appropriate (Action-Operations)
- f. Preparation of annexes or portions of Operations Order (Branches and Sections concerned)

25X1A

II. Operation Orders will generally follow the standard 5 paragraph format modified as indicated below to fit needs peculiar to this organization.

ADDRESSEES: Determine agencies which require distribution

OPERATIONS ORDER NUMBERS: Orders will be numbered consecutively by calendar year. A Number will not be assigned until the order is prepared for publication. (Action-Operations)

CODE WORD: One word will be used for classified Code Word. An unclassified nickname will be given and will contain two words. (Action-Operations)

CHART AND MAP REFERENCE: (Action-Operations)

TASK ORGANIZATIONS: List the components which will comprise the command. (Action-Operations)

1. General Situation: A brief concept of operations will be outlined here to enable the commanders to understand the situation. It will include estimated mission requirements, operating bases, general time period for operation, and number and type aircraft. (Action-Operations)

a. Enemy Forces: Enemy situation in the specific area of interest. May refer to Intelligence Annex. (Action-Intelligence)

b. Friendly Forces: Pertinent information concerning supporting forces other than those listed as Task Organizations. (Action-Operations)

✓ c. Cover: Approved cover story will be included or refer to Administrative Annex. Will include specific instructions to guide actions of commanders and pilots in event of emergency. (Action-Administrative)

2. Mission: A clear, concise statement of the task to be accomplished and its purpose. If more than one area of operation, state separately. (Action-Operations)
